

Year 2 Art: Chicks - Sculpture

Spring 2

Prior Learning

- Year1 know how to cut, roll and coil materials.

Sticky Knowledge

- I know that a sculpture is a three dimensional art form.
- I know how to make a clay pinch pot.
- I know how to mix slip.
- I know how to join two clay pinch pots together using slip.
- I can decorate my pot.

a decorated pot

Vocabulary

sculpture	The art of making three dimensional forms. It is made by carving, modelling or placing materials together.
clay	A sticky natural material that can be moulded when wet. It is baked to make pottery and bricks.
pinch pot	A pot created by pinching the clay into the desired shape.
slip	A mixture of clay and water used to glue different parts of the clay together.
decoration	The process of adding to a piece to make it look better.
three dimensional	An object having width, height and depth.

making slip

Two pinch pots being joined.

A chick pot.
