

# UKS2 PE: Striking and fielding - Cricket

## Prior Learning

### Children have...

- Used running, jumping, throwing and catching in isolation and in combination.
- Played competitive games and applied basic principles for attacking and defending.
- Compared performances with previous ones and demonstrated improvement to achieve their best.

## Vocabulary

- Cricket bat, batting, fielding, underarm, throw, overarm throw, strike, aim, target, catch, track, tactics, teamwork, bowl, stumps, boundary, wicket keeper, space.

## Sticky Knowledge

There are many different areas on the **bat** you can use to **hit** the **cricket ball**. Always keep your eye on the ball and try to aim into a **space** where there are no fielders.

**Bowling** – Hold the **ball** with two fingers at the top and your thumb at the bottom.

Hold the **ball** to your chin, stand sideways to the **batter** and lean back.

Make a figure of 6 with your **bowling arm**, brushing past your ear. Release the **ball** just past your ear.

Finish with your **bowling arm** pointing at the **batter**.
